

This guide outlines the steps to decision exception items that are presented in the New Check Positive Pay system.

- 1) Open Secure Browser on your desktop and log in with your PIN.
- 2) On the Secured Apps page, click *Positive Pay*.

3) A new tab will open the NEW Check Positive Pay solution.

Theck Paritive Pay Otherage	Nection - detenants - Styme -	- Matter - L
	Welcome Notice are the active reverse of particular	

4) From the Change Module menu select the *Dashboard*.

5) Once the Dashboard page has loaded the amount and number of Exceptions to be decisioned will be displayed. Select the dollar amount hyperlink next to Exceptions to view and decision the items.

					-					

NOTE: If no decision is made by 12:00pm ET the default decision will be RETURN

After clicking **Pay** the Current Status of that check item changes to "Pending-Pay":

- Clicking the down-arrow at the left gives you more details on the check item.

You are done making a decision on this item. It will be scooped at 12:00 noon E.T. with your decision.

See a list of possible Exception Reasons on the next page with their respective icons.

## SalemFive

Icon	Exception Code	Exception Reason
Q	Issuance Not Found	Check presented where no issue item is found to match against.
C	Issuance Already Used	Check presented with a serial number previously presented.
•	Issuance Voided	Check presented with a serial number of an issue item marked with a void status.
0	Issuance Stopped	Check presented with a serial number of an issue item marked with a stop status.
\$	Issuance Amount Mismatch	Check presented where amount of check differs from issue amount.
*	Amount Over Limit	Transaction amount is over the limit.
0	Early Presentment	Check presented with a date that is before the issuance date on the issued item.
	Issuance Stale Dated	Check presented with a date that exceeds the specified number of stale days for the account.
